Dear Ms. Eger,

Please accept this letter as a response to your amendment request for the October Quarterly Report filed by Our Country Deserves Better PAC ID# C00454074.

1. On Schedule B, Line 21, we have reported disbursements to CompleteCampaigns.com with the description "Processing Fees". These are for credit card processing charges for online donations made to the PAC.
2. On Schedule B, Line 21, we have reported expenditures for email lists, internet fundraising costs, fundraising newsletters. These are all costs to get the PAC name out there on the web and get people to contribute. These are all general fundraising costs for the PAC.
3. The Production costs and video editing are for general issues supported by the PAC and were used in the fundraising newsletters. The activity did not have express advocacy or mention any federal candidates.
4. This PAC has very limited administrative expenses - it is web based and therefore there is no rent, utilities, etc.
5. On Schedule D we show subvendor memos that are detail for outstanding invoices due to vendor Russo Marsh & Associates. These subvendor memos do not exactly equal the amount due to Russo Marsh because they also invoiced for commission fees.

I hope this answers your questions regarding the PAC's activity for the above period. If you have further questions please don't hesitate to contact me.

Sincerely,

Betty Presley
